MISCELLANEOUS RULES

§ 250.100 Orders granting⁶ or withdrawing exemptions.

(a) *Orders granting exemption from rules.* Any transaction subject to the requirements of any rule promulgated under the act may be exempted therefrom by the Commission upon application, or upon its own motion provided an application for approval of such transaction or a declaration with respect thereto is pending, if it appears to the Commission that such requirements as applied to such transaction are not necessary or appropriate in the public interest or for the protection of investors or consumers.

⁶ See § 250.20(a).

(b) *Orders withdrawing exemption.* Any unexecuted transaction which is within the exemption provided in any rule from the requirements of any provision of the act or of the rules, may nevertheless be subjected thereto by order, after notice and opportunity for hearing, if it appears to the Commission that the withdrawal of such exemption as applied to such transaction would be appropriate in the public interest or the interest of investors or consumers. The Commission may by such notice suspend the applicability of any such exemption to any transaction pending final determination.
